## Sandy Area, Mt. Hood Area and Boring Grant Preparedness Checklist

- Your business has struggled due to the pandemic, and you will need to provide in your own words an explanation of the negative impact.
- You plan to use this assistance to cover payroll or expenses related to the costs of goods sold, before being used on other types of ordinary operational costs of your business, and not to pay fines related to non-compliance with COVID-19 restriction measures.
- You or your business is up to date on state or federal taxes (or on a payment plan) and in compliance with all federal, state, and local laws and regulations.

**If you are in one of the following Presumptively Eligible Categories listed below, you will not need to provide any additional information and documentation.**

### **Presumptively Eligible Categories**

\*\*\*Located in a QCT\*\*\*

\*\*\*In the Travel, Tourism, Hospitality and Fitness-related industries\*\*\*
